“How Does SCRIP Benefit Our Church?”

In short, retailers want to help our non-profit organization with rebates. The only thing you need to do is plan your purchases and make them with gift cards instead of cash or checks. Everyone wins – the retailer, you, and our Church. Many people think of gift cards for gift giving only. But SCRIP is much more than that! SCRIP gift cards are an alternative form of payment that is much like a personal check. It's

also important to stress the dollar-to-dollar redemption. In other words, \$50 cash buys a \$50 gift card. The only “catch,” if there is one at all, is your purchases must be planned a few days in advance for your scrip order to be processed and delivered.

SCRIP is a powerful fundraising tool because families generate revenue through purchases they would make anyway. Groceries, clothing, toys, gifts,

even gasoline can be purchased with SCRIP. An organization of 150 families easily spends between one and two million dollars per year on food, clothing and other essentials. Using SCRIP for these purchases, they can raise as much as \$40,000 to \$80,000 per year for our Church - **without spending an additional penny!** Contact Nancy today to get started:
